Each church features in Pevsner's Architectural Guide to Essex and has a unique story to tell. Come along and meet parishioners who will be on hand to explain the history of these churches and point out interesting architectural features. Whether that be magnificent stain glass windows or a centuries-old tower, there is something to discover in each of these iconic Southend churches.

This celebration of the architecture and heritage of Southend is bound to open your eyes to the richness of buildings that you have walked past every day! We look forward to seeing you there.
