- 31st The whole parish.

PARISH CHURCH OF SAINT CLEMENT

LEIGH-ON-SEA

At the heart of the ministry of any Church of England Parish Church is the worship of God and the call to prayer. We are entrusted to bring God's people before His throne of grace and mercy. The geographical nature of the parish means that we are to pray for everyone who lives, works in, visits, belongs to, worships in, or passes through this small corner of God's earth, which is our parish.

The idea of this prayer calendar is simple, on any given day of the month, all of us pray for the same patch of the parish, surrounding it with our love, and offering up the people there to God's mercy. The calendar is continuous, praying by the day of the month, every month. So on the first of every month we pray for The Old Town, and the second of every month we pray for Leigham Court Drive and Leighton Avenue, and so on.

Please pray for the parish, that God's will be done, and that He would bring the people of this parish into a relationship of love with Him.

Father Clive Hillman (Priest-in-Charge)
